Nerul, Navi Mumbai

Fr. Agnel M High School (State Board)

10th Grade, Percentage: 79%

June 2010 – March 2022

Vashi, Navi Mumbai

Experience

Venn — Founder & Developer (Bootstrap Venture)

May 2025 – Present

React Native/Expo, Supabase

- Building “Venn,” a Hinge-style flatmate-matching app for the Indian rental market from the ground up.
- Designed budget and location as hard upfront filters, with compatibility as the ranking layer to surface better matches.
- Architected a “search together” flow as the core product differentiator against incumbents like 99acres and NoBroker.
- Built the full Supabase backend, including database schema, RLS (Row-Level Security) policies, and an auto-match trigger.
- Leading pre-launch execution, including planning a flagship offline community event (“Venn Night”) for brand-building and early user acquisition.
- Developing monetization strategy centered on pass-based freemium pricing over traditional subscriptions.

Projects

Smart Campus Navigation System | *HTML5, CSS3, JavaScript, Python*

- Smart campus navigation system built for DY Patil — helps users find their way around campus.

Furrlet — Dog-Walking Marketplace | *TypeScript, Next.js, Prisma*

- Territory-exclusive aggregator connecting dog owners with local walking businesses; used Razorpay Route for commission splitting. Shut down after validating unit economics issues.

Kinesis Run Club — Run Club Registration Portal | *HTML, CSS, JavaScript*

- Built a responsive multi-page static website for a local community run club, including a landing page, a run-registration form capturing distance/pace/travel details, and a confirmation flow, with mobile-friendly nav and social/WhatsApp integration.

Technical Skills & Certifications

Languages: Java, Python, HTML/CSS

Frameworks: Flask, React, Node.js, Firebase, React Native / Expo

Tools: Supabase, Vercel, Git/GitHub, MS Office, Claude

Technologies: AI, Machine Learning, Leaflet.js

Certifications: Object-Oriented Programming with Java – Campus Credentials; Virtual Environment Development using UNITY – RAIT ACM; AWS Cloud Practitioner Essentials – AWS Skill Builder

Leadership

Photo Circle – RAIT

August 2025 – June 2026

Jr. Video Editor

Navi Mumbai, India

- Managed end-to-end video production — coverage, editing, and delivery for digital platforms.
- Produced content for technical fests, cultural programs, and large-scale sports tournaments.
- Led video coverage for flagship events (EPL, DYT20), delivering highlights and promotional content.
- Collaborated with creative teams to maintain brand tone and visual consistency.
- Coordinated junior team members and streamlined workflows during high-volume event schedules.
- Planned content aligned with Instagram engagement and audience growth goals.

Extra-Curricular

- Conducted a hands-on workshop on Adobe Premiere Pro as a speaker for Photo Circle – RAIT.
- Organized and managed a weekly community run club.
- Created social media campaigns, banners, and reels for multiple events and brands.

Hobbies

Photography, Football, Guitar, Reading Entrepreneurial Books
